**Let's get naked and make snow angels  
Let's get naked and make snow angels  
We'll be meltin' snow at strange angles**

**Let's get naked and go snow boardin'  
Let's get naked and go snow boardin'  
We'll be surfin' fast like Flash Gordon**

**Let's get naked and ride your toboggan  
Let's get naked and ride your toboggan  
If your toboggan breaks we'll just go joggin'**
