WATERBAND'S WATERFEST 2009

Description, Talent Line up, Event Line Up

Waterband's Waterfest 2009 is the second annual music and arts festival sponsored by Waterband and Nelson Ledges Quarry Park in Garrettsville, Ohio on August 21-22, 2009. Price is \$35.00 for weekend.

Waterband's Waterfest 2009 is a two-day, multi-stage camping festival held on a beautiful 220-acre quarry park in Garrettsville, Ohio. Every August, Waterband's Waterfest 2009 brings together some of the best performers in music. In addition to dozens of epic performances, the festival's entertainment village buzzes around the clock with attractions and activities including: live music, food, camping, swimming, contests, and more. Waterband's Waterfest 2009 is known for its peaceful vibe, near-flawless logistics, and unrivaled entertainment options. Many events and activities are planned to provide something for the entire family, young and old.

The goal of this two day, 20 band music festival is to increase awareness and raise money for the World Water Crisis. By forging partnerships with carefully-screened partner organizations, Waterband and beneficiaries present Waterband's Waterfest 2009. A portion of all proceeds will be forwarded to groups actively building water pumps and filtration systems in places that need them the most.
