

# **"Faith, Hope & Love"**

by David McDougald

**My life seemed empty  
Tried to fill it in so many ways**

**Then I saw and faced death  
Looked me in the eye  
I tried but could not rest  
Now I know why**

**I let my faith carry my hope all the way to love  
Shining bright like the stars in the sky above  
I let it shine in everything I do  
Faith, Hope and Love will see me through**

**I was always running to nothing  
And ended up wasting time away  
Well I'd like to tell you something  
That time won't pass me by today**

**I contemplated death  
It slapped me in the face  
The alternative to breath  
Put me in my place**
