

”Freedom”

by David McDougald

© 1999

**Tide is coming in
I’m alive in my skin
I feel power that has never been
I see beauty that I’ve never seen**

**Freedom, oh freedom
Freedom, oh this freedom**

**My heart was lyin’ in the dark for so long
‘till the light shone in
Don’t know how I was ever so blind
I’m alive, so alive**

**All of life’s little mysteries
Unveiling right in front of me
I’m soaring ‘cause I found my wings
I’m beautiful because I’m me**
