

”How Could it Be?”

by David McDougald

© 2002

**Your head is full of me,
Your Love all I need
You think I’m some strange dream
Your love sets me free**

**Sha La La La...
How could it be
Sha La La La...
You could love somebody like me**

**Your eyes are full of stars,
You’re light inside my dark
You blessed the day we met
That moment I’ll never forget**
