John sang, “I’m not the only one”

Because I know I’m One

Paul sang, “All you need is love”

Because Love is all I need

With these words I do Hear

With these words I do Feel

With these words I do See

With these words I am Free

Bob sang, “Love all Mankind”

Because peace I can’t find

Lenny sang, “You got to let love rule”

Because I know it’s true
