

”Willow Tree”

by David McDougald

© 2001

**You’re the cutest little willow tree
The cutest there could ever be**

**Well you’ll grow big and strong
With your branches very long**

**You’ll grow long and tall
As tall as the rest of them all**

**You’ll grow wise and bright
As bright as the brightest light**

**You’ll grow proud and kind
From your roots up to your mind**
