Band Bios:

Waterband was founded by David "Dreadlock Dave" McDougald & John Welton just after the time when Vegetables Mattered! Both inspired by a higher calling and deep desire to send sincere positive vibrations into the universe through expressive musical improvisation and thoughtful musical and lyrical composition. Enter into the Flow Rick Phillips and then Ryan Bair and you have what today is known as Waterband. Waterband's form is ever changing, yet ever flowing... Waterband's sonic depth and changing forms allow them to perform as a dynamic acoustic ensemble or as a full-blown electric face melting aural assault! Waterband has performed over 1100 shows, since forming in 2001, and has released five CD's to critical acclaim. On Tour Now... Bring Your Light, Boogie Shoes & A Smile To Share...

The Steve Johnson Band is a band made up of four musically diverse musicians. SJB's sound bounces from its foundation in Folk, Roots Rock to Bluegrass, Gospel all the way down to Tribal Laden Funk. Steve Johnson, Amanda Barton and Steve Davis (all formerly of the roots rock band BIG LEG EMMA) are no stranger to the touring world. The three have performed with such acts as Donna the Buffalo, Rusted Root, Little Feat, 10,000 Maniacs, Edie Brickell & New Bohemians, Vassar Clemens, David Grisman, and The Wailers to name a few. Daniel Witherspoon sets the solid back beat on Drum kit and has performed all his life in various musical groups at a professional level. The four have come together to make up what is known as THE STEVE JOHNSON BAND.

Monkey Day Parade is a group consisting of two brothers monkeying around with musical expression. Their recently released self-titled album was both written and composed by Richtor and Spider Monkey. The addition of long-time friend and drummer, Scotty A, presents the core live trio that is Monkey Day Parade.

Have A GRoOvy Day! Peace & Blessings
