Kent has always been a focal point in my musical background."

The Waterband Wishing Well was established as a vessel to educate our world about global water issues while raising funds for select non-profit organizations who share our same ideals. Inspired by a greater calling, the members of Waterband discovered that beyond music, they all share a common interest to help us all live in a clean water world. www.waterbandwishingwell.com

In 2009, the Waterband raised and donated \$4000.00 in their effort to help. The beneficiaries for 2009 were selected to cover a wide assortment of water related issues including filtration, wetlands, rivers, sanitation, irrigation and more.

Waterband was founded by "Dreadlock Dave" McDougald & John Welton just after the time when Vegetables Mattered! Both inspired by a higher calling and deep desire to send sincere positive vibrations into the universe through expressive musical improvisation and thoughtful musical and lyrical composition. Enter into the Flow Ryan Bair and then Taylor Netzler and you have what today is known as Waterband.

Waterband's form is ever changing, yet ever flowing... Waterband's sonic depth and changing forms allow them to perform as a dynamic acoustic ensemble or as a full-blown electric face melting aural assault! Waterband has performed over 1100 shows, since forming in 2001, and has released five CD's to critical acclaim. On Tour Now... Bring Your Light, Boogie Shoes & A Smile To Share... www.waterband.com
