[Waterband](#) was founded by "Dreadlock Dave" McDougald & John Welton just after the time when Vegetables Mattered! Both inspired by a higher calling and deep desire to send sincere positive vibrations into the universe through expressive musical improvisation and thoughtful musical and lyrical composition. Enter into the Flow Ryan Bair and then Taylor Netzler and you have what today is known as Waterband. Waterband's form is ever changing, yet ever flowing... Waterband's sonic depth and changing forms allow them to perform as a dynamic acoustic ensemble or as a full-blown electric face melting aural assault! Waterband has performed over 1100 shows, since forming in 2001, and has released five CD's to critical acclaim. On Tour Now... Bring Your Light, Boogie Shoes & A Smile To Share...

[Cowboy Hillbilly Hippy Folk Band](#) are troubadours specializing in back country wail'n, flat pic'n and psychedelic journeys. They like to ramp it up and have fun. No attitude is their mantra...shut up and play!!!!
