Waterband News

* December is one of Waterband's favorite months as we all recognize that we're all in this together. With that in mind, Waterband is holding a special Waterband Can Jam at the Kent Stage on Saturday, December 19th. Waterband encourages you to bring 5 cans of food so you can get \$5 off your ticket. Tickets are \$10 and available at the door. Leave your dancing shoes at home and bring your listening ears. Prepare yourself for a rare Waterband acoustic performance.

* Waterband is preparing some new recordings for you. Starting in January, Waterband will start to trickle new recordings of new songs on a regular basis. Stay tuned for details.

* When you visit the Waterband website, make sure you visit the contact page so we may better stay in touch with you. Select your favorite social networking site and become a friend of Waterband.

* The Waterband Wishing Well now has a web site where Waterband collects funds for select non-profit organizations. For donations and info about Waterband's Wishing, visit waterbandwishingwell.com.
